Notice of Informal Application

I am a little confused with your 'Notice of Informal Application' dated 10/08/2004;

1. I cannot find the 'period within to correct the informalities noted below and avoid abandonment' in the accompanying Office action.
2. As the application is being considered as informal does the 'Early Publication Request' now fall away? If this is the case, do I still need to pay the \$300 fee?
3. If I do not pay the \$300 fee, will my application be 'abandoned'?

I am not really sure what 'early publication' means and I don't think it is necessary in my case.

Please advise me accordingly.

Sincerely,

Richard Wilfred Wright
